

FIVE LITTLE PIGGIES

Once there were five little piggies
In a row...
One said, "oink, I've got to go"
"oink," he said and "oink" he meant,
He got up and away he went!
Oink, oink, oink, oink, oink!

Once there were four little piggies
In a row...
One said, "oink, I've got to go"
"oink," he said and "oink" he meant,
He got up and away he went!
Oink, oink, oink, oink, oink!
