

Bull's Eye

1. Each person playing takes 10 paper clips and a Bull's Eye record sheet.
2. Take turns tossing the paper clips on the Bull's Eye.
3. Total the score for the toss.
 - a. 10 points for each paper clip in the tens section.
 - b. 1 point for each paper clip in the ones section.
 - c. 0 points for any paper clip outside the circle.
4. Record the total on your Bull's Eye record sheet.
5. The student with the highest score for the round can circle their total.
6. The student with the most circled numbers at the end of the game wins.
